Motor vehicle dealers who are required to complete this form must submit it with their Dealer's Monthly Sales Report (**Form 385**) if they are not reporting sales online.

* Do not report sales of marinecraft, manufactured homes, or vehicles that have been issued a salvage title or junking certificate or transfers made to licensed vehicle dealers, out-of-state purchasers, insurance companies due to theft or casualty loss, beneficiaries named in a trust, or transfer on death beneficiaries.

The seller remains the last titled owner of the vehicle until the purchaser titles and registers the vehicle in his or her name.

This form may be used in place of a bill of sale, when applying for title on a newly purchased vehicle to obtain a 180-day sales tax credit.

The date of sale on this form and date of purchase or the date of the contract to purchase the new vehicle must be within 180 days.

This form is not acceptable for a rebuilt vehicle or for verification of unusually low purchase price.

The purchaser must apply for a new title within 30 days of purchase.

**Penalties**

Any seller who fails to submit this notice is guilty of an infraction and can be fined up to two hundred dollars. If the failure to submit this notice was done to assist the purchaser in avoiding applying for title, paying applicable registration fees, or other fraudulent purposes, the seller shall be guilty of a class C misdemeanor and can be fined up to three hundred dollars. Make prompt notification to help protect yourself from possible liability.
